Countywide Shredding Celebrates 1-Year Anniversary

Countywide Shredding, a division of Peña's Disposal Service, is proud to celebrate its one-year anniversary.

In honor of the milestone, Peña's Disposal is offering 10 percent off all shredding through Feb. 28.

The on-site shredding service utilizes a specially designed truck to shred and weigh documents in compliance with the National Association for Information Destruction (NAID). All paper collected through shredding is recycled, making it a logical fit with Peña's Disposal's core mission.

The mobile service is available to businesses throughout Tulare County on a one-time or regular service basis. For information on Countywide Shredding services, contact Peña's Disposal at 528-3909.

Peña's Disposal is a family-owned business founded in 1949 in Cutler. Today, the firm employs nearly 100 people; provides waste collection and recycling in Tulare and Fresno counties; and focuses on recycling education to reduce waste. For information, contact Peña's Disposal Service at 528-3909 or visit penasdisposal.com.
