

# Thank you to Peñas Disposal

Editor:

On April 18, Peña's Disposal had a free trash cleanup day for the Cutler-Orosi communities.

Every year Mr. Peña and all his crew do this for us. The most wonderful thing about this, is that it is free. What a wonderful service this creates for those of us that need to clean up our yards.

Thank you, Mr. Peña. I, for one, am most appreciative. Our community looks a lot better, cleaner anyway.
